RESIDENTIAL INSULATION REBATE Program Participation Guidelines

HOMES THAT QUALIFY FOR A REBATE

- Existing Site-Built and Manufactured homes are both eligible.
- Homes *must* be occupied year-round; seasonal homes and homes with part-time occupancy are *not* eligible.

REBATE AMOUNT

- Rebate amounts vary depending on type of insulation (wall, floor, attic) as well as existing and new R-Values.
- Rebate payments range from \$0.05-\$0.50 per square foot installed.
***Rebate(s) will not exceed 100% of the installed cost**

INSTALLER REQUIREMENTS

- Installation is not required to be completed by a contractor.

BEFORE INSTALLATION: PRE-APPROVAL

- An on-site visit is *not* required prior to installation to qualify for the rebate, however if installation is not being performed by a licensed contractor, pre-installation photos are required.
- Rebate Applications must be submitted within six (6) months of purchase/installation to qualify.

AFTER INSTALLATION: FINAL DOCUMENTATION

- You or your contractor must submit a completed Insulation Rebate Application and "paid" invoice.
- If a registered OCCB contractor installs the insulation, they must provide reports documenting pre and post insulation conditions, including location of installation, square footage and area covered.
- If project is not completed by a licensed contractor, pre and post photographs are also required.
- **All required documentation must be included with application for rebate to be paid.**

QUALITY ASSURANCE INSPECTION

- Coos-Curry Electric reserves the right to inspect installed product(s).

REBATE PAYMENTS

- Please allow 6-8 weeks for payment after receipt of all required documentation.
- All rebates will be paid in the form of a credit to an active member account.
- Please ensure to specify the correct account number in your application to where credit should be applied.

For additional questions regarding the Rebate Program please visit our website at www.ccec.coop or call 541-332-3931.
