### INSTALLER REQUIREMENTS

- ***Your installation contractor must be listed on the "going ductless" web site for your project to qualify for our rebate.***
- To find an approved contractor please visit [www.goingductless.com](http://www.goingductless.com)

### BEFORE INSTALLATION: PRE-APPROVAL

- An on-site visit is *not* required prior to installation to qualify for the rebate.
- Rebate Applications must be submitted within six (6) months of purchase/installation to qualify.

### AFTER INSTALLATION: FINAL DOCUMENTATION

- Your contractor must submit a completed Ductless Heat Pump Rebate Application and final invoice to Coos-Curry Electric.
- Your contractor must submit all requested documentation for approval to the [goingductless.com](http://goingductless.com) registry.
- Failure to provide the necessary documentation and receive the "approved" status from [goingductless.com](http://goingductless.com) will prevent or delay any rebate payment.

### QUALITY ASSURANCE INSPECTION

- Coos-Curry Electric may do a follow-up inspection of your new Ductless Heat Pump System.
- If you are chosen for an inspection, you will be contacted beforehand to schedule a day/time with a representative of the ductless heat pump program.

### REBATE PAYMENTS

- Please allow 6-8 weeks for payment after receipt of all required documentation.
- All rebates will be paid in the form of a credit to an active CCEC member account.
- Please ensure to specify the correct account number in your application to where credit should be applied.
